

2025-26 SFFSC Fundraising Requirements & Opportunities

Requirements

Home Club Members: \$175 per family

Secondary Members: \$75 per family

Aspire Members: \$50 per family

Fundraiser and Volunteer Fee Deposits are tracked and payment is processed electronically through an Invoice in your SFFSC account. This gives you the ability to view your balance and see your credits applied throughout the year. In your account, you will find an invoice that contains both the Fundraiser and Volunteer Fee Deposit. This invoice is dated 6/1/26 and will stay in pending status and not be processed until this date. This invoice will only process for the full amount if the requirement is not met; and will only process partial amounts if you have earned a portion of that requirement.

**Members will be allowed to pay for any shortages until May 1, 2026. Fundraising invoices will be due and processed on June 1, 2026, for the full amount if no requirements are met or for the remaining balance if there are any partial balances remaining*.*

Thank you for your dedication and participation.*

SFFSC Volunteer Requirements & Opportunities

Requirements

Home Club Members: 16 Hours or \$600 buyout

Home Club Members: (1st yr only): 10 hours or \$300 buyout

Secondary Members: 5 hours or \$75 buyout

Aspire Members: 4 hours or \$75 buyout

Families are required to volunteer at events throughout the season. If participating in a club event such as the holiday show, competition or Annual Spring Show, each family must volunteer (see requirements below). If this requirement is not met, \$250 for each event will be assessed and deducted from your total buyout. In addition there are many opportunities in which your athlete can also complete volunteer hours. It takes many hands to make light work of hosting these memorable opportunities for our athletes and we cannot do it without volunteers. Thank you for doing your part to help make this season a fun and successful one.
